# Nash County 4-H Photography Contest

1. Open to 4-H members in Nash County.
2. All entries must have been taken by the 4-H’er submitting the entry and since June 2009 until present.
3. **Age Divisions:** Cloverbud: 5—8; Junior: 9—12; and Seniors: 13—18. Age will be determined by their age as of January 1, 2010. (Junior and Senior contestants have the option of entering their photographs in the state level contest.)
4. Separate and completed entry forms must accompany each individual photo entered.
5. Each photo must have a title and be submitted under the categories listed. Each entrant may submit only one photo in each of the three categories. This means that each individual 4-H’er may have as many as three entries so long as they submit each entry in a different category.
6. Photos may be in color or black and white. Photos that are 8 x 10 inches or smaller will be accepted.
7. Entry prints may be made from negatives, slides or digital media.
8. **Original media must accompany all prints!** The following rules apply:
   - **Negatives**—Images made from a negative must include the original negative and a photographic print from it. Do not cut negative strips into single frames and do not use paper clips on negatives.
   - **Slides**—Images made from a slide do not require a print of that slide, but it is easier for judgment purposes if a print is provided. The original slide itself, however, must be submitted.
   - **Digital Media**—Images made from digital media must include a printout of that image and a copy of the digital file on a disk, CD, or DVD.
9. Do not submit photos in frames. Matte board is allowed, but loose prints are preferred. If you use a matte, it must be no larger than 8 x 10 inches in size.
10. Your name must be printed on the back of each print you are submitting. Original media should be placed in a protective envelope or sleeve labeled with the 4-H’ers name.
11. Your photographs will be judged on: a) relevancy to category topic; b) composition and arrangement; c) focus and sharpness; d) lighting; and e) creativity.
12. All entries must be submitted to the Extension Office by May 28, 2010.
