

North Carolina 4H Market Hog Performance Record

Name _____ Age _____ County _____

Address _____ Zip Code _____

Breed of Your Pigs _____ Breeder's Name _____

Breeder's Address _____ Zip Code _____

4H Club _____ Years in 4H _____

Parent's or Guardian's Signature _____

Leader's Signature _____

Agent's Signature _____

This record is required for all pigs entered in the North Carolina Junior Market Hog Performance Contests. It should also be attached to My 4-H Plan, 4H R-1-80 or 4H R-1-139, as a supplementary record by all 4-H'ers completing a market hog project.

Contest Requirements

1. You must agree to keep accurate records.
2. You must be an active 4H or FFA member.
3. You must have your record signed by the people listed above.
4. All pigs must be individually identified and weighed on test at least 90 days before showtime - actual weights are required, not estimates.
5. Pens of five are suggested for the market hog performance contests. They can be shown as two individuals and one pen of three. You may feed any number of pigs and select your show pigs from the group, but all pigs must be identified and weighed on test at the same time.

North Carolina State University and North Carolina A&T State University commit themselves to positive action to secure equal opportunity regardless of race, color, creed, national origin, religion, sex, age, or disability. In addition, the two Universities welcome all persons without regard to sexual orientation. North Carolina State University, North Carolina A&T State University, U.S. Department of Agriculture, and local governments cooperating.

Production Information

A. Management Practices: These include all of the things you did for your pigs. In a few words, tell what you did. Attach additional sheets if needed.

1. Identification (tattoo, ear tag, etc.)
2. Disease Control (vaccinations or treatments)
3. External Parasite Control (lice and mange)
4. Internal Parasite Control (worming)
5. Facilities and Equipment (pens, lots, shade, housing)
6. Waste disposal (handling manure and bedding)
7. Other

B. Feed Records: In the following spaces, tell the types of feed you used and how it was fed. Attach additional sheets if needed.

Include supplements, grains, salt, minerals, and value of home-grown feeds, grinding and mixing.

Date	Kind	Pounds	Cost of Value
Ex: Feb. 2	Shelled Corn	100	\$2.50
Ex. Feb. 2	Mixed Feed	100	\$8.50

Final Records

- E. 1. Date project started _____
- 2. Date project ended _____
- 3. Total final weight of all pigs _____
- 4. Total starting weight of all pigs _____
- 5. Total gain of all pigs (subtract 4 from 3) _____
- 6. Number of days on feed (subtract 1 from 2) _____
- 7. Number of pigs fed _____
- 8. Average daily gain per pig. Divide lbs. gained (5) by number of days (6). Divide this by number of pigs (7) = _____
- 9. Total pounds of feed used (from D, p.3) _____
- 10. Feed per lb. of gain (9 divided by 5) = _____
- 11. Total cost of pigs (from C, p. 3) _____
- 12. Total cost of feed and other expenses (from D, p. 3) _____
- 13. Cost of any death or similar losses _____
- 14. Total costs (11 + 12 + 13) _____
- 15. Income from sale of pigs (total wt. (3) x _____ price per lb.) = _____
- 16. Prize money from show _____
- 17. Other income (include value of pigs sold before project ends) _____
- 18. Total income (15 + 16 + 17) _____
- 19. Profit or loss (18 - 14) _____

INDEX

- 1. Total Final Weight of all pigs divided by number of pigs = + _____
- 2. Average daily gain per pig (8) x 10 = + _____
- 3. Add 5 for each no. 1 pig. _____ no. 1s x 5 = + _____
- Total (add 1, 2, and 3 from INDEX) _____
- Subtract 5 for each no. 3 pig. _____ no. 3s x 5 = - _____
