Throughout her 4-H career, Kim was involved in county, district, and state events, which developed her photography skills. Kim was inducted into the NC 4-H Honor Club (our service organization with over 3,000 members with outstanding records of achievement and service involvement and dedicated to making the best better). Kim was a valued Honor Club member and believed in its mission of giving back to the community. When Kim aged out of 4-H, she became a treasured 4-H volunteer, attending most state level 4-H events to capture our memories through her photography. She was passionate about educating youth in any way she could. Kim was always there with camera in hand and more importantly there with a smile, a kind word, and a hug.*
