## 2023 Summer Entrepreneurship and Leadership Camp S.E.A.L.

“Never be limited by other people’s limited imaginations”

~ Mae Jemison

Engineer

Physician

Former NASA Astronaut

The NC Cooperative Extension, Nash County Center will host the Summer Entrepreneurship and Leadership Camp for teens ages 13 - 17, on June 27 - 30.

Teens will have the opportunity to explore entrepreneurship and leadership opportunities with this fun and interactive in-person camp. Participants will learn how to identify unmet opportunities for providing products, services, or leadership in their community.

The camp will provide training and resources to help participants write a business plan and create a presentation for the enterprise they choose. Each participant will have the opportunity to present their business plan during a business pitch “Shark Tank” presentation at the end of camp.

During this camp teens will not only learn about entrepreneurship and leadership, but they will take away skills such as, presentation, research, community scanning, along with business and economic planning.

This interactive camp can help prepare youth for whatever they focus on in the future including choosing a college, focusing their career path, and interviewing.

#### Topics Covered Include:

- Introduction to entrepreneurship
- Local business ideas
- How to acquire funding
- Creating a business plan
- Business pitch & presentation skills
- Leadership skills
- Working effectively with others
- Local small business resources
- And much more!
