## In Home Embryology

June 4<sup>th</sup>-June 28<sup>th</sup>

Cost: \$10.00

Pick- up equipment and eggs will be at the  
Agriculture Center/

1006 Eastern Ave Nashville (9am-1pm)

June 4th

Ages: 5-up

Max: 25

Our Embryology Program is a long standing 4-H program that provides children, of all ages, a hands-on-experience in the incubation period and hatching of chicks. The incubation period takes a total of 21 days for the chicks to hatch. Twelve fertile eggs, along with an incubator, thermometer, heat plate, chick food and complete instructions will be available at pick up.

Children and parents will be instructed to turn the eggs three times a day, maintain temperature and humidity daily until the chicks are ready to hatch. After hatching the chicks will have a few days with your family and then they must be returned along with the incubator and supplies to the Agriculture Center. Return date and time is set for June 28th 9am-1pm

4-H Office Contacts: Amy Ormond- [amy\\_ormond@ncsu.edu](mailto:amy_ormond@ncsu.edu) and
